

THE ALPHA TAU,

beta theta pi at nebraska

1963-1964

FROM THE EDITOR

The task of writing and organizing a publication of this kind is simplified or complicated by the performance of the chapter. If Alpha Tau performs poorly, there are no achievements to acclaim, no heroes to herald. If Alpha Tau performs well, there are successes to salute and winners to write about.

When President Brooks spoke at our 75th Anniversary and the dedication of our new addition, he quoted a very inspirational phrase; "Let good works justify what good will has made possible". I think it is accurate to say that the excellent performance of Alpha Tau this year has in like measure justified the immense good will of our alumni. No facet of our fraternity life has to be passed over lightly because of disparity of accomplishment. Thanks to the excellent performance of Alpha Tau, my job has been an easy one.

Last year's edition of the Alpha Tau was dedicated to "progress" and it seems that this past year's record was the epitome of progress. However, the top ranking of Beta at Nebraska was not gained overnight but had its incipience at least four years ago. It has been four big steps to the top but we must remember that mediocrity is only one short step down. When a practice of any kind is perpetuated for a length of time it eventually becomes a tradition. The better the practice, the better and stronger the tradition.

The 1963-1964 Alpha Tau is hereby dedicated to the most worthwhile and valuable of all traditions - the tradition of excellence. It is just possible that this year's excellent record could be the basis for a permanent standard of superior accomplishment. It is hoped that this magazine may be a reminder of the high standards we have set and an inspiration to maintain them.

Respectfully submitted,

John Hilton, editor

Attention Alums! We would appreciate your help in updating the directory on pages 17-23. Please send additions or corrections to Dan Wherry, Alumni Secretary, Beta Theta Pi, 1515 R Street, Lincoln, Nebraska

DAVE SMITH - PLEDGE TRAINER

JACK CRAMER - RUSH CHAIRMAN

"Hail To

JOHN LAHIFF - PRESIDENT

RON RUFF - TREASURER

FROM THE PRESIDENT

This year more than any other, Alpha Tau chapter may truly echo the statement that Beta "enters the arena with its select champions and challenges all rivals". No area escaped our challenge and no challenge went unanswered. Alpha Tau set her goal on excellence and found that goal in every brotherly endeavor. Never has such a combination of brotherhood and enthusiasm met with greater success.

Confident and encouraged by the boundless alumni support shown at the 75th Anniversary celebration in November, Alpha Tau entered her 76th year and began to live by standards which were set as goals by others. Alpha Tau scholarship regained its number one position on city campus and with her other activities she was the undisputed leader. In years past, Alpha Tau has reached the top but never with such depth of spirit and such limitless enthusiasm.

In November of 1963, the new addition to the chapter house was completed. With this very necessary improvement came also a financial obligation. In this Alpha Tau is not to be envied; however she is to be envied by all in the wisdom, counseling, and support of the alumni, without which the whole project would have been impossible. Now, through the efforts of these loyal and interested Betas we have a physical plant which is second to none on campus in tradition, spaciousness and beauty.

The smooth flow of this years complicated active-alumni financial matters can be attributed

in large measure to the diligent work of Alpha Tau's treasurer, Ron Ruff '64. Rush Chairman Jack Cramer and Pledge Trainer Dave Smith did an outstanding job in leading the organization and instruction of our pledge class this year. By drawing on the mature judgment of the active chapter and our two year tradition of a first place pledge class, our pledges earned the pledge class trophy for an unprecedented third consecutive year.

Several outside speakers were invited to the Beta house as a part of the pledge program which is combined with an informative session for the whole house. For example, Bill Buckley, president of the IFC, and Merle Jones, president of CBS television were among those visiting the Beta house.

No matter how great the potential, all this could not have come about without capable officers to take charge of the many daily tasks which insure the success of any chapter. Alpha Tau is particularly dependent on those men mentioned above and the following: Robert Boehner, Vice president; Jon Hinrichs, Recording Secretary; David Zimmer, Corresponding Secretary; Terry Vogt, Alumni Secretary; Dave Magaret, Scholarship Chairman; Ron Eakes, Archivist; Craig Colburn, Song Leader; and R. C. Mead, Social Chairman.

yours in -kai-,

John E. Lahiff

Thee Old Alpha Tau..."

*Alpha Tau
takes first
in city-campus
scholarship
with a 5.97
grade average*

Brigade Commander David B. Smith is made a Brigadier General in an informal ceremony. The top three men in the R. O. T. C. brigade were Betas.

Scholarship and Activities

Our chapter's keen interest in scholarship has again been shown by our scholastic record. We have once again attained first place in the city-campus scholarship ratings with a 5.97 grade average. (6.0 B)

The names of Betas are present in many of the scholastic honoraries on the Nebraska campus. James D. Korshoj, Lawrence A. Frolik, Richard S. Elliott, David E. Magaret, Lee B. Marshall, and Robert Bell are all members of Phi Eta Sigma, freshman scholastic honorary. R. C. Mead is a member of Gamma Lambda, music honorary. Donald Vogt and Michael L. Jeffrey are members of Alpha Kappa Psi, business honorary; and Samuel P. Baird was recently elected vice president of that organization. James R. Humphrey was inducted into Pi Tau Sigma, mechanical engineering honorary. Doug Cotner is a member of Phi Epsilon Kappa, physical education honorary. David F. Zimmer is vice-president of Alpha Zeta, agriculture honorary, while Robert Kvaal and Stephen P. Davis belong to Pi Mu Epsilon, math honorary. John E. Lahiff is a member of Delta Phi Alpha, German honorary, and Craig P. Colburn, Stephen P. Davis, and James R. Humphrey are all members of Sigma Tau, engineering honorary.

Strong Beta participation in extracurricular activities was rewarded this year with the second place Innocent's Scholarship and Activities trophy.

John H. Lonnquist, Jr. was tackled as president of the Innocents Society, the university's senior men's honorary. In addition, Lonnquist was named Outstanding Collegiate Man and president of the All University Fund. Terry Vogt is chairman of the Student Tribunal and president of Kosmet Klub. Stephen P. Davis is chairman of IEEE and vice president of the Young Democrats. Robert C. Boehner is president of the Nebraska chapter of the American Institute of Architects, and David B. Smith commanded the R. O. T. C. Brigade. Three Betas, Michael L. Jeffrey, Lawrence A. Frolik and Donald L. Voss were elected to the Student Council and Frolik was elected as its new corresponding secretary. The campus newspaper, the DAILY NEBRASKAN was ably assisted by Betas in the persons of Lee Marshall, assistant Sports Editor and Michael L. Jeffrey, circulation manager. Betas holding IFC positions were Dave Smith, vice president; Grant Gregory, F.M.A. chairman; John Lonnquist, Expansion chairman; and David E. Magaret, Scholarship chairman.

OUR BETA ROSE MOM HARKER

Mom Harker at the Rose Formal with senior brothers David Smith, Jon Hinrichs and John Lahiff. (from left to right)

In every organization of any kind, there are inevitably people who contribute more and are rewarded less than is their due. Number one on Alpha Tau's list in this category is Mom Harker. We all notice her pleasant smile, her helping hand and her ubiquitous nature. But it is Mom's "behind the scenes" work that puts her in a class of her own. A great deal of money saved through Mom's careful supervision of the kitchen and the downstairs is kept in excellent shape by her constant concern for our physical plant. Both of these jobs were particularly difficult this year because of the new addition's completion after the start of school. Mom's smooth transfer of the kitchen from the basement to the new addition is exemplary of her efficiency.

We all remember the assistance Mom gave us when we were pledges and this year was no exception. At the beginning of the year, Mom gave her usual series of talks on social graces and hosted the parent's tea which saw nearly every pledge's parents in attendance. Furthermore, Mom is the chapter's representative in the Beta Alliance (mother's and wives club) and many of their gifts and services to the chapter can be traced to Mom's influence.

We can never repay Mom for her services to Alpha Tau but possibly this brief article exemplifies a small part of our gratefulness for our Beta Rose - Mom Harker.

Alumni News: Over 500 Attend

President Brooks (front left) prepares to cut the ribbon separating the new addition from the old chapter house. Looking on are a few of those who made it possible. (From left to right) Linus Burr Smith, Kansas State '22 chairman of the department of architecture and recently named an Outstanding Nebraskan; Paul Hyland, Nebraska, '49, District Chief; Max Meyer, Nebraska, '06, chairman of the dedication; Gene Tallman, Nebraska, '45, former chapter counselor; and John Lahiff '64, chapter president.

Dedication and Anniversary

William F. Swanson, Chapter Counselor and Diamond Anniversary Director.

President Seth R. Brooks and Alpha Tau president John E. Lahiff with Dedication plaque in front of first place Homecoming Display.

Paul Hyland, past president of the Nebraska Inter-Fraternity Board of Control was recently appointed Chief of the Nineteenth District.

Successful alumni relations are synonymous with a successful Beta Chapter. A special tip of the frat hat goes to Chapter Counselor, William F. Swanson, for outstanding service to Beta Theta Pi. Bill has kept a close relationship with the entire chapter, and did a masterful job in directing our Diamond Anniversary. The Lincoln Hotel Ballroom would not accommodate everyone who wished to hear our General President, Dr. Seth R. Brooks. Betas from fifteen states and the District of Columbia were represented at this greatest of Nebraska Beta Banquets.

Having served as Chapter Counselor, six years on the Alumni Advisory Group, and as Secretary and more recently President of the University of Nebraska Inter-Fraternity Board of Control, Paul W. Hyland was well qualified for his appointment as Chief of District XIX. As a General Fraternity officer, his responsibilities will include the chapters at Iowa State and Iowa U. as well as Nebraska.

The beautiful new addition to the Beta house has stimulated alumni interest. Many thanks to the following brothers who have collectively given \$20,000 to help build it.

R. K. Adams, R. L. Aden, Gary Aksamit, Milt Anderson, M. E. Arnot, George Bates, R. C. Bocken, Bill Boydston, Roy Broyhill, Jim Brownell, G. E. Carpenter, Bill Chamberlin, John Cockle, B. F. Coombs,

*Second Semester Pledge

Class Trophy For Third Consecutive Year

On September 17, 1963, 24 young men filed their bid cards and "were pledged to Beta's band". That same night the Tri-Stars baptized their Pledge Trainer and Rush Chairman with a drenching in the shower. This was the first hint of the enthusiasm, initiative and unity which was to characterize the Beta pledge class of '63. Two weeks after their pledging, the beginning Betas were assigned pledge fathers, another aspect of the "progressive pledgeship" practiced by the Alpha Tau chapter of Beta Theta Pi. During this early phase of pledgeship, the Tri-Stars were given four goals to strive toward; scholastic achievement, community service, social activity, and leading toward the fourth goal... becoming better Betas.

The pledge class initiative was again extremely evident in regard to their community projects. Each project was individually organized and carried out by the pledges themselves. During the winter, signs marking some of the city's points of interest began appearing. Later, the home of the famous Nebraska statesman, William Jennings Bryan, was rejuvenated by the pledge class. As a climax to the projects, a troop of boys were treated to the first annual Beta Boy Scout Camporee. Also, during the year, the Tri-Stars volunteered their help to many public service drives and assisted at local track meets.

Academically, the pledge class was first on the city campus with an average of 5.8 (C) and the 77% of the Tri-Stars who were initiated had an average of 6.7 (B+), far above the overall University average.

Activities were numerous among the pledges. They excelled in intramurals by winning the all-University football championship and finishing second in both basketball and volleyball. Many of the Tri-Stars held important positions in key campus organizations. The pledges fully supported Kosmet Klub and Homecoming, activities which resulted in first place trophies in both cases.

Sneaks, functions, hour dances and serenades were frequent as the Tri-Stars took full advantage of the social side of campus life.

The extraordinary job that the Tri-Stars did in accomplishing their goals shows that they were certainly deserving of the ATO Help Week Trophy, an award honoring the best all-around pledge class, and one which the Alpha Tau chapter has won for the past three years.

Most important of all was the unity developed among the Tri-Stars, a unity which came of age on the pledge class sneak to the University of Minnesota.

Pledge Class Trophy

Beta Theta Pi at Nebraska performed the impossible in interfraternity competition - we won every major award except the intramural championship.

Alpha Tau began the year in an auspicious manner by taking first place in the combined Homecoming display contest. The Betas joined with Kappa Alpha Theta to produce a first place with "Puff the Buffs" which, quite appropriately, had as its main figure "Puff the Husker Dragon". Next came the annual Kosmet Klub Review. Alpha Tau's "Heavenly Harmony" captured the first place award for an unprecedented second year in a row. On the same day that Beta won Kosmet Klub, the "A" football team defeated the independent champions for the all-university championship. One week later the "B" football team, composed entirely of pledges, won the all-university "B" title.

The momentum gained in these first semester triumphs carried over into the second semester as well. Most cherished of our second semester victories was our first place in the annual Ivy Day Sing. Twenty-five voices combined to gain a near perfect score (59 of 60 points) with an arrangement of "When You're Smiling". Also on Ivy Day, the pledge class was awarded the ATO Help Week Trophy for the third consecutive year in another unprecedented feat.

Finally, Alpha Tau was awarded first place in both city campus scholarship and city campus activities to round out a near perfect year. All of this would not have been possible without a

Brothers Jon Hinrichs (left) and Terry Vogt accept first place Ivy Day Sing Award during Ivy Day ceremonies.

maximum effort from all Betas in every facet of our college life. The attentive reader will notice that our talents are not concentrated in any one area. Only a well-rounded and hard working chapter could have accumulated victories in so many diverse endeavors.

Leader in Interfraternity Competition

Beta Theta Pi wins the annual Kosmet Klub Review for the second year in a row with "Heavenly Harmony".

Alpha Tau Athletes Boost

RON DOUGLAS

DAVE SMITH

LARRY BORN SCHLEGL

TOM CHAMBERS

DOUG COTNER

JACK CRAMER

Jack Cramer set a new meet record in the Nebraska-Colorado duel with a jump of 6' 7".

Alpha Tau supplied Nebraska teams with twelve varsity and freshman performers. With only two graduating seniors and six freshman and sophomores the future appears to be bright for Beta athletes.

Leading the list of Beta performers is junior Larry Bornschlegl who was voted the most valuable player by the baseball team. Bornschlegl was invaluable to the team as a catcher and an outfielder. In his second year as a starter, Larry's batting average dipped to .257 but his brilliant defensive play more than made up for his bad fortunes at the plate. Ron Douglas, a senior in his third year as a regular, had another fine season. Although listed as a second baseman, Ron has played at every position except catcher and first base.

Jack Cramer, the high jumper for the track team, exceeded his last year's best by two and one-half inches. In the Nebraska-Colorado duel Jack bettered the meet standard with a jump of 6' 7". Cramer also placed fifth at the Drake Relays and sixth in the Big Eight Conference meet. Another three year letterman, Dave Smith, completed a successful season with the rifle team, thus terminating a fine collegiate record.

Tom Chambers, '65 was one of the top fish on the swimming team for the second year in a row by swimming and diving in four events - diving, individual medley, butterfly and the medley relay. Doug Cotner, also a junior, churned out valuable points for the swimming team in the freestyle events and Ed Romjue competed for the golf team in his second year as a regular. Kile Johnson, only a sophomore, played in every tennis meet and provided the team with some excellent performances.

Robin Stickney was a starting catcher for the freshman baseball team and is expected to be a valuable addition to the varsity in 1965. Steve Hutchins doubled up, playing forward on the freshman basketball team and pitcher for the frosh baseballers. Dale Parker specialized in freestyle for the yearling tankmen while Roger Douglas played shortstop for the freshman baseballers.

"All Seriousness Aside..."

Will we ever forget Abel's beach party, the "Roaring Twenties", The Oklahoma Party or the "Beta Biltmore"? Will we ever remember the Champagne Picnic? Many of our most memorable experiences in college are found on the weekends when hard work and studies are temporarily dismissed.

Variety was the keynote to this year's weekend madness. Brother Abel started the year auspiciously by hosting the first party - a beach party - at his cabin in Fremont. Brother Ron Douglas was mainly responsible for the next innovation - the "Bohemian bash" or the polka party. Because of the success and popularity of this new party it may become a regular every year. The "Roaring Twenties" were relived with customary spirit and the ever-present racoon coats, knickers, model "T's" and flappers. Friday afternoon birthday parties seem to have gained a place on the social schedule. An especially memorable party was when Brother Van Cleave and Karen Fejfer entertained Betas and Thetas on their twenty-first birthdays. The annual Date Dinner, sponsored by the Mother's Alliance, terminated the first semester's social program.

Miami (Fla.) and the Orange Bowl were the scene of many Beta gatherings and parties. Brother Douglas even put on a surfing exhibition as an added highlight to the New Year's Eve celebration. Brothers Tom and Jim Poggemeyer deserve most of the credit for a successful "Beta Biltmore". Their original planning and decorations added a great deal to the annual event. After a triumphant showing at Ivy Day, Betas and dates celebrated late and long at the Champagne Picnic. The Rose Formal, held at the Hotel Lincoln, concluded a year successful and memorable in many ways.
